Notice to all amateurs

This will be our 37th Annual Hillcrest Invitational Pro-Am. It continues to be one of the premier golf tournaments in this region because of the wonderful amateur support we receive. Many of you return year after year to renew acquaintances and enjoy the better part of a week playing golf. We pledge to do our best in making this a memorable event for you.

ENTRY SYSTEM

Please read the following carefully.

Amateurs who played in the 2009 Pro-Am have first preference into the 2010 tournament. They will be confirmed into the tournament on May 16, 2010 if their paid entry is received on or before May 15, 2010.

All other amateurs will be confirmed into the tournament based on the order in which their paid entry is received, therefore everyone is urged to submit their entry as soon as possible to secure a spot.

The team portion of the tournament is based on the scores of one pro and three amateurs per team. The pro changes teams each day, while the three amateurs play together each day. Amateurs are categorized into A, B, or C players by handicap, and one of each is included in each team. Amateurs must have established handicaps to compete. We need your GHIN number if you have one, as we will verify your index during the first week of July. For tournament purposes, all amateurs play at 90% of their established handicap. **A maximum adjusted handicap of 27 will be allowed.** The Pro-Am Committee on an annual basis analyzes the Hillcrest Pro-Am scores of all players and reductions to a player's handicap may be made based upon these scores.

The Pro-Am Committee pairs all teams. Amateurs play one of two schedules, either
Thursday morning - Friday afternoon - Saturday morning, or
Thursday afternoon - Friday morning - Saturday afternoon

Some amateurs travel together, or for business or personal reasons have a need to play a certain schedule. We try to accommodate these requests, so if it is important to you, please let us know. Please do not ask to be paired with certain players. By luck of the draw your wishes may or may not come true, but please leave this to the committee.

Again, we thank you for your continued support of our tournament. It has allowed us to attract better professional golfers each year, many of whom have gone on to greater things on the PGA, Champions, and Nationwide Tours. We, and the members, volunteers, staff, and sponsors, look forward to your return.
